

# Manas J Vyas

## Junior Web Developer

### Bachelor of Computer Applications

I am a motivated and enthusiastic graduate eager to start my career in Web & WordPress development. I have a strong interest in creating dynamic and responsive websites, and am committed to bringing a positive attitude and dedication to the workplace. With a foundation in HTML, CSS, Javascript and WordPress CMS customization, I am ready to apply my skills to support my team and contribute to the success of the organization.

HTML, CSS, Javascript

Bootstrap Framework

WordPress Website Development

Understanding & Debugging

Theme Customization & Plugin in WordPress
